

Φ PARKER

**YOUR NEW
PARKER
CALENDAR JOTTER**

- The only ball pen you'll ever want, now with the only calendar you'll ever need.
- It carries Parker's guarantee against defects.
- The calendar can be set for any month of any year, past, present or future.
- And this pen is a Parker—the name that means “writing quality” around the world.

HOW TO SET YOUR JOTTER BALL PEN CALENDAR:

1. Loosen barrel 1/2 turn.
2. Initials on top band of metal sleeve correspond to the days of the week. Simply rotate sleeve until initial for the first day of the current month is lined up with printed number "1" on barrel.
3. Hold sleeve firmly in place, tighten cap—and you're set for a month of good writing and ready calendar reference.

GUARANTEE

Parker will repair or replace your writing instrument free if it fails to perform due to defects in materials or workmanship. Should this occur, just return it to us.
